

Welcome to Hamilton Kart Club

About Us...

Hamilton Kart Club has been around for many years, moving to its current location from a dirt track on Avalon Drive in the early 1980's.

Many upgrades and extensions have taken place in recent years to make Hamilton one of the premier kart circuits in New Zealand.

The club has hosted both National and North Island events along with National Schools, the CIK Trophy of New Zealand, Top Half Series, Rotax Challenge Events and Prokart Series.

Hamilton's Annual Anniversary Meeting "Winter Cup" is held in May this year which hosts many of New Zealand's top drivers.

The Hamilton Kart Club runs approximately 12 races per year which also include a Points Series, Club Championship and enduro races.
